PHILIPS

Juicer
200 W 1.5 L, Masticating Juicer

HR1880/00

Highlights

Ideal for soft fruits

Thanks to the gentle squeezing technology, you can make great tasting juice that gives you a high level of nutrition values from soft fruits like tomatoes, pomegranate and grapes.

Drip stop

Always keep your kitchen counter clean even when you are done juicing.The drip stop prevnts any juice from dripping on the table.

Juice continuously for 30min

This juicer allows you to juice a great amount of fruits and vegetables, continously for 30min.

Thanks to the 1.5L jug serving all juice has never been easier.

Coarse sieve and a fine sieve

You can now choose your prefered juice concentration. Use the coarse sieve to enjoy more pulp into your concentrated juice.

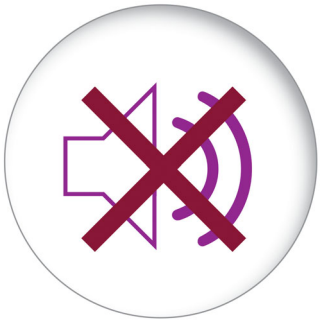
BPA Free

0% BPA

Robustly built

This silent and reliable motor will allow you to extract maximum juice from your fruits and vegetables.It is so strong that you can easily process the hard vegetables such as carrots and beetroots.

Quiet motor



This silent motor will allow you to use your juicer at any time of the day without disturbing the people around you.

Dishwasher-safe

For even easier and faster cleaning all removable parts can be safely cleaned in the dishwasher.
